To,

All Vice Chancellor's (Technical and Deemed to be- Universities / Director's (Technical Education) / Director's (Stand-alone) Institutions

Subject: - Academic Calendar issued by AICTE for the Academic Year 2023- 24–reg.

Sir/Madam,

AICTE issued the Academic Calendar for the academic year 2023-24 for Technical Institutions and for PGDM/PGCM Institutions in which the last date of admission is 15.09.2023.

Here, it is clarified that this is the last date of admission and State – Governments / Institutions can finish the admission process even before this date.

Also, for granting/ refusing AICTE Approval to its institutions (new/ old), the date is 10.06.2023. Hence, Institutions/ State Governments / Deemed to be – Universities are recommended to finish their admission process latest by 31.07.2023, so that classes can be started from 01.08.2023.

The CBSE & State Boards have already announced 12th results and JEE/ NEET exams have already been conducted.

In view of the above, early admission by the state Government and Institutions, will further help in streamlining the academic year 2023-24.

Further, all the State Governments/ Institutions are also requested to transparently display their last date of admission on their website/ newspaper to bring it to the notice of all stakeholders.
